20th Anniversary

Dear Staff, Volunteers, and Patrons of the Greenboro Community Centre.

Wow, time flies!

Congratulations to staff and patrons of the Greenboro Community Centre on 20 spectacular years.

This centre has seen many changes over these past two decades. The completion of the second expansion is right around the corner, which will give users a fitness studio, a multi-purpose room for senior's and youth, and a mini studio.

This April, we said good-bye to the centre's long-time director Rob Norris, who is taking a well-deserved retirement. His hard work and dedication really left a mark on this centre as well as within the community. Rob became a friend to many and we will miss him at Greenboro.

However, with a goodbye to a familiar face, came a hello to a new one! I want to welcome and congratulate the new director, Denise Bellingham who is a great addition to the team. The staff at Greenboro is simply outstanding and they all work hard to ensure the needs of residents are met. They recognize that it's not the walls or the equipment that make a community centre, but the people that make it so special.

Greenboro is a welcoming place for people of all ages and abilities and I always feel a real sense of community when I walk through the doors here. It is a building that not only is a second place to work, but a second home as well.

Congrats to Greenboro on its 20th birthday! I look forward to many, many more.

Kindest regards,

A handwritten signature in cursive script that reads "Denise Bellingham".
